Present

to You, the Student,

THE 1970-71 ECHOES

THEME

The characters Charlie Brown, Snoopy, Schroeder, Lucy and Pig Pen make up the group also known as "The Peanuts Gang". Cartoonist Charles Schultz fills his strip with the comical situations of the group. He has brought about the famous "happiness statement" which illustrates the simple, uncomplicated joys of a child and what makes him happy.

Happiness is defined as a feeling of satisfaction and pleasure, but it is really undefinable, for it can mean so many different things depending on a person's viewpoint. Happiness may come in any shape or form; be material or non-material. There is really no specific meaning of the word.

The theme of the 1970-71 Echoes is that of happiness. Every person on the staff has done his best and put in a lot of extra time to produce an annual which we hope you, the student, will enjoy. We sincerely hope the "Echoes" will be a happiness to each and every one of you.

I also wish to take this opportunity to express my appreciation to Mrs. Kaye-Smith, my advisor; Michelle May, the assistant editor; and to Kris Carr, the copy chief; without whose devoted help I would not have been able to finish this production of the annual.

ANNUAL STAFF

FIRST ROW (seated l to r): Barb English, Editor; Michelle May, Ass't Editor; Mrs. Kaye-Smith, Advisor; Kris Carr, Copy Chief; Betty Fulk, Deb Mitchell, Rosanne Barker. SECOND ROW(standing): Diane Bruce, Cindy Kyler, Sheila Oler, Belinda Bryant, Susan Schuldt, Karen Carlin, Connie Blanchard, Business Mgr., Cindy Blanchard, LuAnn Collier, Margaret Valentine, Sue Graham. THIRD ROW (standing): Mary Gross, Susan Stillson, Sue Davis, Deb Haywood, Carol English.

The Annual Staff worked very hard this year sharing rooms with the bookkeeping and typing classes which prevented the staff from working very much during the regular school day. Work sessions were then held on Mondays after school with assignments being given on the preceding Thursdays during the last ten minutes of the second period. Old members having previous experience on the staff were assigned layouts with the new members and could provide help if problems arose. Much extra time and effort was put in by many members providing for an all-in-all good production of this year's annual.

DEDICATION

1924 to 1971

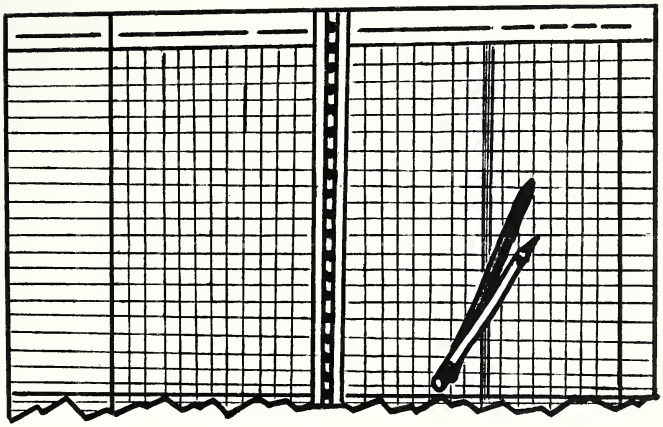
To all students--also teachers, staff and graduates--who have passed through these doors, we dedicate this last issue of THE ECHOES.

Happiness is--memories.

"The days may come, the days may go,
But still the hands of mem'ry weave
the blissful dreams of long ago."
--George Cooper, SWEET GENEVIEVE

happiness is . . .

when people are interested in studying.
when you know you've gotten your point across in class!
when students are really excited about their classes and ready to begin when the bell rings.
seventy-one!
having the building remodeled!
seeing a conscientious student learn to do something worthwhile that they don't already know how to do.
watching young people grow and mature and become responsible!
having former student come back to visit you!
knowing students as friends and seeing them become concerned about people and their social problems.



having mutual respect amongst students and teacher plus seeing the physical and mental development of the young men that have played ball for us at Pierceton.
faith, contentment and optimism to enjoy the good days when things go so right and have faith that the disappointing days will not last.
when student become fit for society!
no exams or grades!
opening up a box of new books.
the satisfaction a teacher receives from knowing he or she may have had a small role in determining the future of the students they have taught!
when students have all their assignment handed in on time!
being able to inspire a pupil to desire to attain his best and helping him progress in that direction!
working with students who are willing to put forth an effort.

Club members participated in skits for school pep sessions and attended a play, "Twelfth Night" at Manchester College. The year was concluded with a Spring Banquet honoring all seniors in the Thespians Club.

The activities of the band for the school year 1970-71 might easily be summed up as a game of musical chairs. Due to the building program, the band has moved from the gym floor to the stage, back to the gym floor, back to the stage, and finally to the fire station in the new Community Building.

With the building in various states of "construction", it has been impossible to present any kind of musical program. The band played a short concert at the Alfran Nursing Home in Warsaw, presented a Christmas program for the student body, participated in solo and ensemble contest, and performed at the home basketball games.

It is hoped that the music department (band) will be able to offer more in concerts and programs in 1971-72 with the completion of the new facilities at Pierceton and South Whitley.

The Pom-Pon girls of Pierceton were organized in 1969 by Mr. Cleon Marsh. The uniforms this year were changed to red corduroy flared skirts with white corduroy inserts and white braid trim. Reorganization took place this year and twenty-four participated in try-outs. Out of these, twelve were elected. Something new which was tried this year was the attendance of a pom-pon camp held in New Haven. The main event of this year was the participation in the half-time of the B-team game

One of the highlights of the basketball season for the cheerblock was the pizza party held for those with a good attendance record to honor the basketball team.

BOYS' STATE AND GIRLS' STATE

DELEGATES AND ALTERNATES
L. to R.--R. Walter, del.; R. Osborn, del.; R. Cotton, alt.; L. Neher, del.; R. Elliot, alt.; D. Ward, alt.

These boys, chosen by the American Legion, are the delegates and alternates to Boys' State at I.S.U. The delegates will spend a week learning about various areas of our gov't. They will learn by acting out gov'ts in the cities and counties. They may choose to study police administration, law, etc. They also have fun, as one of last year's delegates expressed.

This year Diane Bruce (l.) will travel to I.U. for a week of gov't study and meeting girls from all over Indiana. Rhonda Harter (r.) will be the alternate. These girls were chosen by the Pierceton Women's Auxiliary of the American Legion.

DAUGHTERS OF THE AMERICAN REVOLUTION
GOOD CITIZENSHIP AWARD

This year, Kris Carr was chosen as the DAR Good Citizen of P.H.S. She then took a test which consisted of: current event questions; Indiana and U.S. history questions; essays on patriotism, responsibility, and leadership; and a list of high school activities. Her test score won for her the Kosciusko County DAR award. In May, she attended a DAR banquet which honored her and the "Good Citizens" of Mentone, Warsaw, and Syracuse.

THUNDER ON SYCAMORE STREET, which was presented by the juniors and seniors this year, is a serious drama concerning intolerance. When a man who had served time in the penitentiary as a result of a traffic death moved his family to Sycamore Street, his so-called "respectable" neighbors decided to use violence to drive him out. Only the teenagers on the street and one man who believed in justice defied the others to stand up for the persecuted ex-convict. Completely double cast, the two presentations of the drama were well received as being both thought provoking and representative of contemporary problems of our time.
